Dear Osto Group Friends:

Wholeness House was conceived in 2002 and incorporated in 2004 as a residential facility for women and women with children, who have fallen on hard times through no fault of their own, and need a place of safety and refuge to get back on their feet and blend back into society again. Wholeness House is a faith-based ministry yet up to this point has not been doing any active fundraising since it has not found an appropriate property where the home base will be located.

In 2008 the desperate need for reduced-cost ostomy supplies was revealed, and Osto Group was formed as an affiliate of Wholeness House. Those of you who have been coming to Osto Group for a long time may have noticed the Wholeness House logo on our literature.

For the past 14 years, every penny over the cost of doing business has been set aside with the intention of acquiring property for Wholeness House. The increasing costs of doing business and rents has made this impossible for our small non-profit organization. Recently a property has come to our awareness that is IDEAL for Wholeness House, Osto Group, and the additional ministry and training centers that will be required as we grow into our full potential. In order to remain independent, we are relying completely on the generosity of those who know us, have worked with us, and know our character.

Those of us here at Osto Group feel certain that now is the time and this is the property for time is of the essence. Our lease expires February 2023, and the new property is currently on the open market. As you can see from the enclosed flyer, the land, 976 acres in all, is peaceful and inviting.

We must prepare to move swiftly with minimal interruption in service. We cannot do it without you, your friends, loved ones, support groups, nurses, doctors and the community. The goal to obtain this treasure and to fulfill the needs of many that are hurting and distressed is \$4.5 million dollars. No donation is too large or too small. Tell as many of your neighbors and friends as you can. SPREAD THE WORD! We may be small in size, but we believe big things will be accomplished on this property and through all of us working together. For serious donors a business plan may be obtained by contacting Wholeness House at 561-707-2139. Make your donation either by check made payable to Wholeness House Inc. and send it to Wholeness House, 3500 45th Street, Suite 16A, West Palm Beach, FL 33407, or go to our website at www.wholenesshouse.org, to make your donation online using either a credit card or PayPal.
